Exit Slips

Exit slips or passes are written student responses to questions teachers pose at the end of a class or lesson. They are a great way to get students thinking about how and what they are learning. This collection of exit passes primarily focuses on the math process standards—the thinking behind the math content.

- Pgs. 3–7 Questions that document learning
- Pgs. 8–17 Questions that emphasize the process of learning
- Pgs. 18–22 Questions to evaluate the effectiveness of instruction
- Pgs. 23–53 Process Standards
